

"Ode To An Angel"

The love was small in my heart
The joy was small in my spirit
The peace was small in my mind

Then one day, I saw an Angel

The sun didn't seem to shine
The moon didn't seem to glow
The stars didn't seem to sparkle

Then one day, I saw an Angel

I prayed to God for Love
I prayed to God for Joy
I prayed to God for Peace

Then one day, I saw an Angel

I fought against what I saw
I fought against what I heard
I fought against what I felt

Then one day, I saw an Angel

My heart was racing
My spirit was flipping
My mind was jumping

Then one day, I saw an Angel

I asked God for guidance
I asked God for answers
Here's what He said

I'VE SENT YOU LOVE
I'VE SENT YOU JOY
I'VE SENT YOU PEACE

RECEIVE Her!!!!

To Donna, My Love, My Joy, My Peace, My Wife

I Love You!!
